### **BREAKING NEWS** Rotterdam Dialogues: the Critics

Witte de With, Center for Contemporary Art

Witte de Withstraat 50

NL - 3012 BR Rotterdam

9.10.2008 – 11.10.2008

Over the course of several months, Witte de With presents a program of three symposia, titled 'Rotterdam Dialogues: Critics, Curators, Artists'. Structured to establish a lively platform for debate and exchange, these symposia explore the practice of three of the central protagonists of the contemporary art world: the critic, the curator and the artist. Are these still the cultural actors who decide what is made, what is seen, and whether it is any good?
